*Volunteer registration ends Jan. 20, 2017.*

## *About Money Rocks:*

Join us as we teach teens and young adults about financial basics, career preparation, and how to pay for college!

We had more than 400 participants and 100 volunteers in 2016. We expect attendance to rise even higher in 2017!

Will you volunteer to help us guide the next generation to financial stability?
